1. O Lord, place with-in our hearts a spi - rit of love that's true,
2. O Lord, place with-in our lives a cou - rage that soon can be,

A soul that knows how to give, A life that is lived in you;
A soul that can stand up proud, A life that is brave and free;

A heart that's a-ware of suf - 'fring that hears ev - 'ry lone - ly cry,
A heart not un - like your own heart, a sign from our God a - bove;

And reach - es its love in ser - vice, to wipe ev - 'ry tear - drop dry.
May we have a heart like your heart, that all may be one in love.
